

The Next Steps to Medicaid Expansion Implementation

November 20

Proposition 2 must be declared effective by the Governor and the Secretary of State.

90 Days

Idaho must submit state plan amendments (SPAs) to the Center for Medicaid and Medicare Services (CMS) within 90-days of the effective date.

Funding Appropriated

The only action needed by the Idaho Legislature is to appropriate the 10% match for the program.

July 2019

Once approved, Idahoans in the coverage gap should be able to enroll in coverage no later than January 2020.
